

3rd Berlin Summer Meeting

Computational & Experimental Molecular Biology

MEET

TOPIC 2010: Quantitative Genomics

A conference organised by
The Berlin Institute for Medical Systems Biology (BIMSB)
at the MDC Berlin-Buch

**June 24-26, 2010,
Berlin, Germany**

Confirmed Speakers

Tim J. Aitman, Imperial College London
Jürg Bähler, University College London
Martha Bulyk, Harvard Medical School, Boston
Evan Eichler, University of Washington, Seattle
Michel Georges, Université de Liège
David Gresham, NYU, New York
Philipp Khaitovich, PICB, Shanghai
Elaine R. Mardis, Washington University in St. Louis
Eric Miska, University of Cambridge
Yijun Ruan, Genome Institute of Singapore
Andreas Wagner, University of Zurich
Chung-I Wu, University of Chicago
and others

Organisation Committee: Wei Chen, Christoph Dieterich, Kris Gunsalus,
Norbert Hübner, Markus Landthaler, Nikolaus Rajewsky

Location: Langenbeck-Virchow-Haus, Luisenstr. 58/59, Berlin

Contact: Alexandra Tschernycheff, Michaela Langer
Max Delbrück Center for Molecular Medicine
Berlin, Germany, phone (+) 49 30 9406 2999 / 3720
email: tschernycheff@mdc-berlin.de, langer@mdc-berlin.de

Abstract submission deadline: April 30, 2010

Fees (in Euro):
Early registration (until May 17, 2010) 300
Late registration (after May 17, 2010) 400
Students 40

This fee covers participation, lunch and coffee.
