

BIOGRAPHICAL SKETCH

NAME Karina Yaniv	POSITION TITLE Associate Professor, Department of Biological Regulation, Weizmann Institute of Science, Israel		
EDUCATION/TRAINING			
INSTITUTION AND LOCATION	DEGREE <i>(if applicable)</i>	YEAR(s)	FIELD OF STUDY
Hebrew University of Jerusalem, Israel	BSc	1993	Chemistry and Biology
Hebrew University of Jerusalem, Israel	MSc	1995	Biological Chemistry
Hebrew University of Jerusalem, Israel	PhD	2005	Developmental Biology
National Institute of Health, MD, USA	Postdoctoral fellow	2009	Vascular Development

A. Positions

2021- Head, Aharon Katzir-Katchalsky Center, Weizmann Institute
 2021- Member, Life Sciences Appointment Committee, Weizmann Institute, Israel
 2019- Adjunct member, European Vascular Biology Organization (EVBO) Council
 2019- Coordinator of the Regeneration, Stem Cells and Aging Forum, Weizmann Institute, Israel
 2019- Member of the Scientific Advisory Board, European Center for Angioscience (ECAS)
 2019-2021 Adjunct member, Staff Scientist Appointment Committee, Weizmann Institute, Israel
 2018-2021 European representative, International Zebrafish Society Board of Directors
 2017-2019 Israeli coordinator, German-Israeli Helmholtz International Research School- **Cancer Transitional And EXchange (Cancer-TRAX) Program**
 2017-2020 Coordinator, Manchester-Weizmann PhD program (with the Faculty of Biology, Medicine and Health, University of Manchester)
 2017- Member, National Council for Animal Experiments, Ministry of Health, Israel
 2016- Associate Professor, Weizmann Institute of Science, Rehovot, Israel
 2016-2020 Israeli coordinator, German-Israeli Helmholtz International Graduate School for Cancer Research (with DKFZ, Germany)
 2015-2019 Coordinator of PhD International Programs, Feinberg Graduate School, Weizmann Institute
 2013-2019 Member, Board of Studies, Weizmann Institute of Science, Rehovot, Israel
 2009-2016 Assistant Professor, Weizmann Institute of Science, Rehovot, Israel

B. Honors and Awards

2018 ERC Consolidator Grant, by the European Union
 2017 Levinson Prize in Biology, by the Scientific Council of the Weizmann Institute
 2016 Wendy Chaite Leadership Award, by the Lymphatic Education & Research Network
 2013 ERC Starting Grant, by the European Union
 2012 Research Career Development Award by the Israel Cancer Research Foundation
 2007 Werner-Risau Prize for outstanding studies in endothelial cell biology
 2006 Susan G. Komen Young Investigator Scholarship, by the Lymphatic Research Foundation
 2005-2009 Exceptional pay increase for outstanding postdoctoral fellows, NIH, USA
 2005-2007 EMBO Long Term Postdoctoral Fellowship
 2003 Prize for Excelling Students, by the Golda Meir Foundation
 2001-2004 Scholarship for Excelling Students, by the Rector, Hebrew University of Jerusalem
 1998-2001 Ph.D. Scholarship for Excellence, by the Faculty of Medicine, Hebrew University of Jerusalem
