# TALK im CUBE

## Panel Discussion

We are excited to continue the Talks in the Cube 2025 after the summer break with a further expert discussion focused on Strategies for Intellectual Property Rights in Biotechnology.

Our two esteemed experts are trained natural scientists AND European Patent Attorneys. They will share their insights and experiences with us.

With

**Dr. Sun Jin Lee**, European Patent Attorney, European Patent Litigator (UPC), Maiwald GmbH, Munich

**Dr. Oliver Ladendorf**, LL.B., European Patent Attorney, Kraus & Lederer PartGmbH, Munich

**Dr. Uwe Lohmeier**, Berlin BioScience Academy (BBA), Campus Berlin-Buch GmbH (Moderation).

Topics planned to be addressed

- Smart patenting for biotech: Portfolios providing leverage and attracting investors
- Licensing of innovative technologies: Patents for organisms and CRISPR/Cas
- Biotech patents and AI: Examples to influence innovations and to protect data-driven discoveries  
... and much more.

The talk will be followed by a networking event where you can socialize over snacks and drinks.
