

# Microbiome Network Meeting Berlin – Brandenburg

August 28th – 29th, 2023  
@Veterinarium Progressum  
Oertzenweg 19b, 14163 Berlin (Düppel)

Symposium for early career scientists working on microbiome research (human, animal, environmental or bioinformatics).

Organized by PhD students and postdocs for peers to increase the network of microbiome researchers in Berlin.

Keynote speakers:

**Kathy McCoy (University of Calgary)**

**Naama Geva-Zatorsky (Technion Israel Institute of Technology)**

**Elizabeth Archie (University of Notre Dame)**

**Nicola Segata (University of Trento)**

**We are looking forward to seeing you!**

Organizers and sponsors

Amelie Weber (Charité), Anna Fagundes (Charité), Ankur Midha (Freie Universität), Víctor Hugo Jarquín-Díaz (MDC)
